

FIND THE WORD

Find the Word - seven clues, one answer!

In Find the Word, you're given one clue at a time to guess each key word. There are only seven clues, but they get progressively more revealing (and more costly!). You can challenge your brain with everyday riddles or music and movie questions!

IT'S FREE!

What's the Word is 100% free to try!

QUICK PACE

The layout of this app is basic and easy to use. Simply click on each provided letter to spell your guesses. Short clues keep the game moving – except for when you get stumped!

HINTS

Each clue can be accessed with hint coins, which are earned every time you answer a question. They can also be purchased in the app store. Careful, though – the easier clues cost more than the hard ones!

MIX IT UP!

Find the Word has several different categories. Play it with your kids in the Easy version. Bend your brain with the Hard version. Quiz yourself with the trivia categories: Film and Music. Or find endless questions, from everyday objects to geography, in the Arcade version.

Are you ready to face the Find the Word challenge?
